IF YOU HAVE A LARGE CAR OR LORRY DO NOT ENTER ROWE'S LANE FROM WENDRON OR THE A394, MARKED IN RED, AS IT IS NARROW AND HAS TIGHT TURNS

A normal size car or van can reach us from the top or bottom of Rowe's Lane, but be prepared for tight bends and other traffic that will mean reversing to passing places.

Please note that the entrance to Rowe's Lane from the A394 has changed and is now accessed via the entrance to the Parc an Daras housing development.
